Presidents Report: Memberships: 2023 membership was strong, around 150 financial members. Not a bad result considering the loss of the drift group from our club.

Drives: Wednesday morning drive going strong. Very popular. Weekend drives also going well. Mostly getting good support.

Dinners: Club dinners are well attended, but unfortunately, it is the same 20 people. Come along, it is an enjoyable night, with a great bunch of friendly people.
