

Monthly Newsletter

1 - [MARQUE SPORTS CAR REGISTER NORTH QUEENSLAND INC.](#)

Hi All,

Welcome to our new monthly newsletter. This newsletter is designed to keep you informed with what is happening in **YOUR** club. We will be letting you know about upcoming events and drives and for the most part this will replace the emails you receive regarding an event.

As the media officer I am trying to update our look and bring the club forward in keeping up with the times.

We have had great success with our digital membership forms and also with our digital entry forms. We also have payment facilities on our phones for those members wanting to pay for entry fees etc. by card. This has been a great introduction for the club.

We will also be looking at introducing digital membership cards in the future to save the paper waste, so keep your eyes out for that.

If someone is wanting to contribute an article to this newsletter, please email me - Michele at: social@marquengq.com.au.

FNQ MARQUE SPORTS CAR REGISTER CHAPTER

As you may be aware, 2025 has seen the introduction of a Far North Queensland Chapter with Ron Schilling being the coordinator for the chapter.

It is great to see the club expanding and for those racers that might be interested in meeting up with the rest of the Chapter, Ron's mobile is 0412 456 365.

The group meets **9:00am every Wednesday** at the Tolga Pub, 23 Main Street, Tolga for a social drive and coffee.

FUN FACT: V8 SUPER CAR DRIVERS regularly lose around 3kgs through sweat during each race.

Until next month - **DRIVE SAFE and ENJOY YOUR DRIVING.**
